

BASKET FLOWER OF LIFE

The **BASKET FLOWER OF LIFE** can be worn as a decorative pendant without additional contents. It manifests creative order, activates creative power and releases themes and patterns from old times and epochs. It strengthens the connection to the female attributes.

Once you insert a ELYMARA light crystal, it will be united with the Earth's new light. The qualities of the inlaid product merge with the attributes of the Flower of Life.

The folding mechanism of this basket allows easy opening and closing and the additional product can be carried in a protective way.
