

DOUBLE-LANTOS

The **DOUBLE-LANTOS** harmonizes conventional geopathic influences (earth rays, Water veins etc.), as well as electromagnetic radiation. For very strong influences, additional products may be required. It imbues entire rooms with the energy of light and love.

For high electromagnetic pollution or directional beam loads, we recommend the additional use of a SANA LEA OMNI-GOLD or OCTARION/OCTARINO and for all wireless devices the FOSTAC OMNI CHIP or the ELECTRIC plate (Mini, A6 or A5). The negative effects of the internal power network can be harmonized with ELECTRIC plates (A6, A5 or A4).

The personal sensitivity of the user is decisive when selecting the product. Our consultants are happy to assist you.

A stand made of wood, metal (**Caution: strong magnet!**) or slate is available separately.

TECHNICAL DETAILS

Material: Glass

Size: Height 155 mm,
max. width 70 mm
