

EARTH SUN

With the **EARTH SUN** the missing grounding can be rebuilt. The **EARTH SUN** brings light and love into our unredeemed injuries of all our earthly lives and supports us in reconciling ourselves with earth, our earthly experiences and earthly existence.

It can help us to break down feelings of guilt as well as the tendency to dwell on past things. It connects us with Creation and with the entire Universe. It can also promote our spiritual development and improve the contact to our inner being.
